

This term in Year 4 we have enjoyed our learning on *Blue Abyss*. We have created our own information leaflets in literacy and produced some amazing pieces of work in topic. We also enjoyed a debate on the Great Barrier Reef and tourism. Here are some pictures of our learning.

In maths, we have been working on place value and addition and subtraction. We played games on the computers to aid our learning and enjoyed a subtraction trail around the Eco- Garden!

In RE, we performed a liturgical dance for the Harvest festival. We listened to the Parable of the Sower in class and then were split into different groups to show the story.
