### Jeans for Genes day 2022

Today we held Jeans for Genes Day in school. The children and staff wore an item of denim in return for a donation to the charity. The Jeans for Genes campaign raises awareness of the daily challenges faced by those living with a genetic condition and raises money to fund projects that make a tangible difference to the lives of those affected. Donations are still open, so far we have raised £140 for the charity. Thank you for your support.

### Class of the week — Year 1

This week we have been finding information about spiders.

We looked at information books and images to find different facts, we also went on a spider hunt in the eco garden.

We then created our own spider fact page.

## St Thérèse of Lisieux—Little Way Week

**Little Way Week 2022 begins on Monday 26 September. The feast of St Thérèse of Lisieux takes place Saturday 1 October.**

Little Way Week is inspired by St Thérèse of Lisieux, patron of mission. As a child St Thérèse dreamed of being a missionary. With age she understood that very few of us are called to make big and radical gestures, but that through small, loving actions we too can deliver God's love to the world.

Thérèse would complete her daily tasks willingly and cheerfully, and she would show great love to all she met. She called this her 'Little Way'. Throughout the week the children will take part in activities and assemblies to appreciate all they have to give to others with their love, kindness and friendship.

## European Day of Languages

We look forward to celebrating European day of languages on Monday. Some of the children in school have volunteered to share some key phrases with the classes. If your child would also like to share some phrases in another language that they know, please do let their teacher know.
