

St. Augustine of Canterbury Catholic Primary School

Attitude to learning score

Score	Descriptors
1. Dynamic Learner	<ul style="list-style-type: none">• Always tries their very best.• Actively participates in all lessons - including whole class, group work, and partner work.• Undertakes reflective and honest peer assessment and self-assessment.• Independently works towards and finds evidence towards their target.• Always completes homework and home learning to a high standard, including home reading, learning weekly spellings and frequent use of Mathletics.
2. Active learner	<ul style="list-style-type: none">• Consistently tries their best in most lessons.• Actively participates in most lessons - including whole class, group work, and partner work.• Undertakes reflective peer assessment and self-assessment.• On occasion, works towards their targets independently.• Homework and home learning activities are completed including home reading, learning weekly spellings and regular use of Mathletics.
3. Improving learner	<ul style="list-style-type: none">• Tries their best in some lessons.• Participates well during some lessons - including whole class, group work or partner work.• Undertakes peer assessment and self-assessment, however it may not always be fully reflective.• Works towards targets when directed.• Homework and home learning activities completed on most occasions, however the standard of work is variable.
4. Ineffective learner	<ul style="list-style-type: none">• Rarely tries their best in lessons.• Does not fully interact with their learning in whole class, group work or partner work.• Peer and self-assessment is not reflective.• Little evidence of work towards their targets.• Homework and home learning activities completed on some occasions although the standard of work requires improvement.
