Dear Parents and Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

We are therefore reminding parents and carers that we are working with National Online Safety to provide resources for all parents and carers.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics, including:

- Online Relationships
- Fake Profiles & Social Bots
- Online Bullying
- Online Grooming
- Child Sexual Exploitation
- Sexual Harassment & Violence

- Age Inappropriate Content
