Newsletter

2nd October 2020

We have had a good week as we have entered October with a great deal of rain. Thank you for your patience when queuing (socially distanced) for your children when you drop off and collect them. Your support is very much appreciated.

Better Medway Award

I am delighted to announce that we have achieved the Bronze 'Better Medway Schools Award'

Within our review feedback, Child Health Programme Manager, Medway Public Health Directorate commented:

'The school demonstrates a passion for improving the health and wellbeing of their staff and pupils and this is evident from senior leadership teams all the way through to lunchtime staff. PSHÉ coordinator and deputy head teacher Claire Burns is the schools lead professional for the A Better Medway Schools Award, supported by head teacher Louise Prestidge. They both clearly value the contribution that health and wellbeing in education makes to the development of pupils at St Augustine of Canterbury Catholic Primary School. They have embedded a whole school approach to health and wellbeing, with a holistic approach to pupils. It was an absolute pleasure to visit the school and review the evidence submitted for this Bronze Level award. I look forward to supporting the school work towards its Silver Level A Better Medway Award'.

I am delighted with our reward and would like to thank Mrs Burns who lead this award within the school throughout the last academic year. We look forward to achieving our Silver Award!

World Mental Health 2020

World Mental Health Day 2020 is on the 10th October; this year it may be the most important one yet! The months of lockdown and loss have had a huge impact on us all, and prioritising mental health has never been more important than it is now. Making positive change can seem so hard, especially during uncertain times.

That is why, at a time when it's needed most, we are asking that on **Monday 12th October** the children come together for #HelloYellow to support young people's mental health to mark World Mental Health Day. The children can come to school dressed from head to toe in yellow or even just wear a yellow scarf or socks in exchange for a donation to 'Young Minds' via Parentmail. I am sure they will be grateful for your kind donations during this most challenging time for young people. Please note the change of day from Friday 9th October.

If you would like to find out more about 'Young Minds', please visit their website: <https://youngminds.org.uk/> Thank you for your support.
