10 March 2023

We have been very busy, including snow and rain throughout the week. I would like to extend a huge thank you to all of the staff for their help clearing snow and preparing the school in readiness to welcome the children in safely.

Thank you to all the families who supported our Book Fair, the school council have selected £300 of new books for our library and classroom book corners.

The Season of Lent

Class of the Week Year R

The children in Year R enjoyed taking part in Forest School earlier this week. They explored the Year R forested area, developing their balancing, climbing, independence and communication skills.

"We take the sticks." Aksho

"I had fun joining in with all my friends." Faye

In mathematics this week, Year R have been exploring measures; reasoning and communicating mathematically.

"If it is lighter it's taller...it's up." Henry

"One is lighter, one is heavier." Teddy

"If something's bigger it's not always heavier." Emilia

In RE, we have started our new topic - Growing. The children talked about what they already know and have sown some cress seeds to watch them grow.

"We made plants grow." Maisie

"We grow older." Phoenix

"You can grow flowers." Hayden
