11 November 2022

We have had a fun filled week in school! This week, each class has taken part in a Geography enrichment week and in doing so, we have become a 2041 school. This means that we acknowledge the issues presented by climate change and the importance of education on this global issue in order to educate future generations about the importance of being environmentally friendly. The focus across the school has been on becoming Champions of Antarctica. The children have produced some lovely pieces of work to demonstrate their understanding and learning.

We had 100% attendance when the photographer came into school on Monday and every child in the school had their individual photograph taken. Your child will bring home a proof for you to place your orders online. The deadline for placing your orders for the photos to be delivered to the school is : **22nd November**.

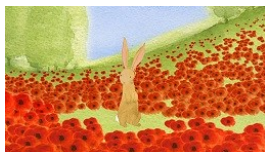

Clubs will begin next week. Please remember to complete the club permission form that has been sent through ParentMail. Clubs will finish at 4:15pm; children will be released from the playground, access through the bottom gate.

The children took part in a lovely Remembrance Liturgy in school today. Thank you to all the readers and to Fr. Michael for joining us.

Class of the Week Year R

This week the children in Reception class were learning about Remembrance Day. We watched a short animation about a bunny on the Battlefield and seeing the poppies grow. The children responded creatively to the animation using a range of different media, making some beautiful and bright Poppy art.

ANTI-BULLYING WEEK 2022!

To mark the beginning of Anti-bullying week next week, we will be taking part in Odd Socks day on **Monday, 14th November**. It is an opportunity to encourage the children to express themselves and celebrate their individuality and what makes us all unique!

Next Friday, **18th November** is Children in Need, the children may wear their own clothes instead of their uniform in exchange for a donation to Children in Need, donations to be made through Parentmail.

Medway Spaceman Visit

On Monday 21st November, we will be having the "Medway Spaceman" come to visit us to talk to us about space. As part of the talk, they will be sharing with us part of their book that they have written about going to space.

If you wish to purchase a copy of the book you can get it from Amazon [here](#)

This is not a requirement, however there will be an opportunity for any children who do have a copy to have it signed on the day by the Medway Spaceman team.
