## Newsletter

27 January 2023

The school council met again this week. During their meeting they created a Children's Safeguarding Statement. This has been put on our website under the Safeguarding section which you can view [here](#). **Reminder**—Only assistance dogs are allowed onto school premises including the school playground. **Lateness**—please ensure the children arrive at school before 8:55am using the bottom gate onto the school playground. In exceptional circumstances, if you arrive after this time, you should use the green security gate. You must ring to gain entry—**do not** hold the gate open for anyone or enter unless you have used the intercom system. Thank you for your support.

### NSPCC Number Day

NSPCC

Number Day

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 3rd February 2023**.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We are having a fun day of maths activities and we will be taking part in '**Dress up for Digits**.' The children are invited to wear an item of clothing with a number on it to school (football shirt, cap, netball shirt or even a onesie!). To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline - the helpline that's always there for children and young people whatever their problem or concern. To help raise money for the NSPCC, we are asking for a suggested donation of £1 to be made through ParentMail.

### Maths Week

Next week is Maths Week!

The children will be taking part in a wide variety of fun activities involving maths organised by the teachers.

To help us celebrate in the enjoyment of maths, we would like to invite **one** parent or carer per family into school to join us for a 'Puzzles for Parents' afternoon from **2:45pm** on the following days: **Please note change of day for Years 1 and 5**

Monday — Years R and 3

Tuesday — Years 2 and 6

Thursday— Year 1, 4 and 5

Please complete the Parentmail form to advise us of which parent/carers will be attending. 'Puzzles for Parents' will finish at 3:15pm to allow for the children to follow their usual home time routine and will be dismissed as normal at 3:30pm on the playground.

If you have two children on the same day, you can visit both classes.

### Class of the Week Year 4

This Week in year 4, we have been celebrating the Chinese New Year. We have learnt to count from 1 to 10 as well as saying hello! Below are some of the fans we have made too. Did you know it's the year of the rabbit this year?

### Class Attendance 2022/23

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
90%	99%	97%	97%	92%	89%	95%

## Birthdays

Daisy age 8  
Ella age 8  
Lukas age 6

## Book of Excellence
