We have had a very busy week with the Enterprise afternoon, school trips, the Year 6 have had transition days at their new secondary schools and our new Reception children have been in for a Stay and Play afternoon. It is important that if you are coming into school for events, you must complete the ParentMail forms we send out to advise us if you will be coming, to safeguard everyone.

It has been very warm today, we are fortunate to have lots of shady places on our playground, including the Eco Garden, which the children are encouraged to use at break and lunchtimes. Please send your child to school with a sun hat, water bottle and apply long lasting sun cream before school.
