Our school value this term is:
Be Thankful

This week, we had a visit from Kent Fire and Rescue to talk to all of the children about fire safety. The whole school attended a lovely Mass in the church.

If your child has lost an item of clothing, please come into Reception and look in the lost property as there is a considerable amount of unclaimed items.

Year 5 Class of the Week

So far this term, we have been learning about farming. For our memorable experience, we created our own allotment design. We needed to make sure our allotment had security, parking and a water source. Some of our designs had room for poultry that would give a constant supply of eggs. After we completed our designs, we were tasked to write a planning proposal to present to the local council in a bid to be granted planning permission.

We also enjoyed our fire safety talk this week. We thought about the importance of being safe when charging our devices and know that we must always check our smoke alarms at home on a weekly basis.

World Book Week

Next week beginning 4th March is our annual 'Book Week'.

Please see the letter ParentMailed regarding the events for the week, here is a brief reminder.
